SIGURD TIPPLE, first foreign exchange student sponsored by the Albany Rotary Club in 1956-57, returned this week from Berlin to register at U.C. Berkeley.

During his year at Albany High Tipple lived with the William Woolworths, and will be staying with them again. Sigurd's sister, Ortun, who resided with the Woolworths while at College, left only last week for Berlin. "Aside from being happy to have Sigurd with us again," commented Mrs. Woolworth, "it is especially interesting to have his first hand view of the present situation in Berlin."

Browne Calls For Volunteers In Civil Defense

Albany Civil Defense Director Gerald D. Browne today issued a call for volunteers in the local service. Chief Browne in making this call stated that the United States has a triple line of defense. "The first line of defense is a policy of diplomacy, firm and fair, that extends a hand to all in friendship and honor, that attracts and holds the allegiance of free nations and rebuffs threats of nuclear blackmail. The second line of our defense is our military. Today the greatest in our history. The third line of defense is our nonmilitary. Civil Defense is a vital part of our nation's total defense. Along with our military defense and our retaliatory forces, Civil Defense stands as a strong reterrent of aggression. We must be prepared," the Director adds.

Director Browne goes on to state that those wishing to volunteer may register at the Fire Department Headquarters, 801 San Pablo Avenue. Further information will be forthcoming from Civil Defense, both state and local agencies. There is a need at present for persons in the Welfare Services. This service will care for registering of persons, feeding, etc. All persons registering under Civil Defense are covered by a free insurance policy from the State in the event of accident incurred when coming to or from a CD meeting or drill. Hours of registration at the Fire Station are from 9:00 a.m. to 5:00 p.m. every day but Sundays.

Sample Street Lights Installed At Castro Street

Two of the very latest in development of luminaires for business lighting have been installed at San Pablo Avenue and Castro Street for viewing by Albany citizens. These luminaires were installed by the P.G. & E. with materials furnished by Line Materials Industries, Thursday, August 3, at no cost to the city of Albany.

These L-M Styled Mercury Luminaires provide high-level illumination to attract business to a city's business area. They are a totally new concept in luminaire appearance with outstanding lighting performance. They are beautifully designed in brushed aluminum or five pastel decorator colors and engineered for high efficiency.

The luminaires utilize 1000 or 700 watt horizontal burning mercury lamps.

The luminaires at San Pablo and Castro have been installed on the existing poles. However, existing poles can be replaced by modern new standards. Change to new overhead or underground cable system will be necessary for such a system on San Pablo, if such a change is made in Albany.

This solution of Albany's business lighting is under study and consideration by the Albany City officials and the Chamber of Commerce. The installation of these sample luminaires provides an opportunity for Albany citizens to see for themselves, the latest in street lighting development and the improvement it would make in the city.

Chamber Chatter

There is literally a "bright spot" in the Albany's business area—don't fail to especially take note of this "bright spot" at the corner of San Pablo and Castro Street—it is only a sample of a possible brighter and busier Albany. The beautiful two luminaires, so graciously installed by P.G.&E. with the materials supplied by Line Materials Industries, give us a preview of a needed improvement in our city—new luminaires on our business avenues would make our city more attractive and stimulate business activity. This problem has faced the city officials and interested business men of Albany for some time, especially since new lighting has been installed on San Pablo in both Berkeley and El Cerrito. Many problems still stand in the way of the new lighting, but the people of Albany now have the opportunity of seeing what can be done.

Special thanks go to the three men representing their firms who made this possible; Mr. J. H. Sturgean of P.G.&E., Bruce Kunde, and Thomas O. Nichols of Line Materials Industries.

Operation "New Look" still continues in the Albany business area. One of Albany's oldest and most outstanding firms, Max' Liquors at 865 San Pablo and the Albany Club, 1105 Solano have a new exterior of attractive soft green paint—a real improvement for Albany's main business intersection. Albany Pharmacy at 847 San Pablo has a new green awning, and we are anxious to see the completion of the new neon sign at Jim's Hickory Pit, 755 San Pablo.

Congratulations to all of you.

A salute to one of Albany's outstanding business women and civic leader, Bernice Boyd, manager of Security Savings and Loan Association. Bernice was among the 20 prominent women in this area named to the Who's Who of American Women—this is the second time for Bernice. These women were selected for their outstanding work in business, education, sciences, arts, and other fields. Basis of selection was prominence among women because of positions held, vocational achievements, and contribution to the community welfare. A recognition well deserved by one of Albany's favorite people. Bernice served as a member of the Albany Chamber of Commerce Board of Directors for three years.

Congratulations to Dwight Haven who is taking more steps to make Bello Amo No. 2 at 811 San Pablo an outstanding place to dine—open 24 hours—now also adds the distinction of being a Pancake House to its steaks and Italian food. It also has a new enclosed and carpeted meeting facility—real progress.

Remember—"The future belongs to the things that grow, whether it be a tree, a city, or a democracy."

Albany Budget For 1961-62 To Raise Tax Rate 10 Cents

The following statement on the new city budget was submitted by the City Administrative Officer James B. Turner:

In June I presented a preliminary budget message to the City Council in which I delineated certain items which I felt were very important in the over-all development of the City. I also pointed out various means of obtaining additional financing for these functions. Briefly these items were as follows:

1. City Buildings.
2. General Plan Consideration.
3. Capital Improvement Program for the City.
4. Administrative Survey.

The importance of the above projects has not, in my opinion, changed. However, after the first of July when complete figures on revenues and cash carry-over became available, it became evident that it would probably be necessary to defer action on some of these items in order to keep the expenditure rate at a level consistent with current revenues and any additional revenues that could be incorporated at this time.

The full impact of loss in population in the City of Albany in the 1960 census is just now reaching us. The population dropped from approximately 17,500 to 14,800 resulting in considerable reductions in revenues which are based on population. This reduction came at a time when costs in general have been rising and has resulted in throwing a very difficult financial problem before the City of Albany, since it has operated for a considerable period on the uniform tax rate and relied primarily on increases in revenue through sales tax as well as increases from sources of revenue which are based on population for the additional revenue to meet the ever rising costs of the City Government. Substantially then the problem that exists results from operation of the City under a uniform tax rate for several years at a time when sales tax revenues have decreased considerably and revenues derived from other sources and based primarily on population have also taken a nose dive. This resulted in the City having less funds available for expenditure than has been available in previous years.

In order to cope with the declining revenue and to provide as many services as possible, a very careful review has been made of the operating costs of all departments within the City. Departmental budgets have been reduced and the proposed items for community development have been eliminated yet, even though this budget reflects expenditures of lesser amounts than have been allowed in either of the two preceding years, it will still be necessary to increase the tax rate $0.10 per $100 assessed valuation in order to meet these reduced expenses.

Only approximately 3/7 of the total revenue of the City are derived from the tax rate. From this it can be seen that any substantial change in the other 4/7's of the revenue source will necessitate substantial changes in the tax rate to overcome these losses. For example, in the last year sales taxes alone have dropped almost $20,000. This doesn't seem like much, yet a 10c increase in tax rate would be required to offset this loss.

The tax situation at this time is probably the lowest that it will go within the foreseeable future. There are many areas from which additional sources of revenue can be derived to which we can look for relief in the forthcoming years. A primary item in this respect would be to the revision or updating of our population by a special census at such time as the University of California Housing Development is fully occupied. This will result in increases in all sources of revenue which are based upon population. Several improvements have taken place within the last year, which will by next year show their respective increases on the assessed valuation of the City and thus result in additional income at that time. There are areas from which additional revenues can be derived for some specific purposes and these areas should be carefully explored and the additional sources of revenue developed within the forthcoming year. Any development of additional revenue sources within the forthcoming year cannot be of material benefit in meeting the cost of government for this year and can only be helpful in easing the tax burden in future years.

The budget submitted herewith does not include any overall salary increases for employees. In view of the fact that most City employees are already well behind neighboring jurisdictions, the absence of an adjustment at this time creates additional hardships on the employees in coping with the ever increasing cost of living in the area. It is hoped that by their indulgence we will be able to get through this, our most trying year, without throwing undue burdens upon the taxpayers of the community.

Certain items must be undertaken within the forthcoming year in order to cope with the situation at hand. Paramount among these is the abatement of deficiencies on Civic Buildings in order to comply with the requirements of the State Fire Marshal's Office. Action on this project and positive steps forward must be taken prior to December of this year.

A close watch will be kept on the revenue picture throughout the course of this year and if, at any time, it appears revenues are coming in in excess of those anticipated another look should be taken to the items deleted from the budget with an eye toward improving conditions where possible, consistent with the revenues at hand.

Scout Troop 12 Will Have New Corps of Officers

New officers will assume leadership of Boy Scout Troop 12 when meetings are resumed in September.

Jerry Foott will be senior patrol leader; Larry Eaton assistant senior patrol leader; Bob Blank, quartermaster; Larry Calais, librarian; Jerry Gordon, scribe; Fred Hendrickson, bugler; Bill Porter, chaplain; Michael Still, editor.

John Porter and Rick Ostrov will become junior assistant scoutmasters.

Stanley Birch, Dave Freels, John Hendrickson and Don Nelson will be patrol leaders with Geary Bingham, Kevin Keck, John Kister and Timothy Still as their assistants.

The Troop, sponsored by Post 292 of the American Legion, meets at 7:15 p.m. each Tuesday during the school year at Marin School.

Berkeley Garden To Open Season Tuesday, Aug. 15

The Berkeley Garden Club will open its seasons activities at the John Hinkle Clubhouse Tuesday, August 15 at 1 p.m. Mrs. Naida Gilmore Hayes, president, will conduct the business meeting.

Mrs. George Creech, program chairman, and her committee of Mrs. H. O. Parkinson, Mrs. Bayard Rucker, Mrs. E. J. Strohmaier, and Mrs. R. W. Eickert, has planned a year's program around the theme, "Know, Grow, and Show." It will include study groups, conservation, landscape design, horticulture, and flower arrangement.

Mrs. George Politis who has lived in Alaska will speak and show films on "Gardening in Alaska." She is well known for the many articles she contributes to the garden magazines, a Past Director of District 4-A Garden Clubs, Inc., and a Nationally Accredited Amateur Flower Show Judge.

Mrs. R. J. Henderson, a Berkeley Garden Club member, will also show slides from her recent trip to Arctic Alaska.

At the recent board meeting Mrs. Hayes announced the following names of her standing and special committee chairmen: program, Mrs. George Creech; social, Mrs. Kenneth Brunner; press, Mrs. R. W. Eickert; civic, Mrs. Addison Fording; membership, Mrs. J. T. Shaler; conservation, Mrs. Forrest McAbee; decorating, Mrs. L. W. Wrixon; courtesy, Mrs. J. H. Weyeneth; specimen table, Mrs. James Cason; exchange table, Mrs. J. W. Humphrey; library, Mrs. A. J. Humphrey; garden therapy, Mrs. Dorothy Reich; study groups, Mrs. E. J. Strohmaier; birds, Mrs. W. I. Brucklacher; junior gardening, Mrs. Henley Miller; Herrick Hospital project, Mrs. R. E. Mello.

Mrs. R. E. Mello, assisted by Mrs. Kenneth Brunner, Mrs. H. O. Parkinson, Mrs. L. C. Madison and Mrs. George Creech, has created artistic flower arrangements in Herrick Hospital during the month of July. They will also place arrangements throughout the hospital areas during the month of December.

Officers for the new year are as follows: president, Mrs. Naida Gilmore Hayes; vice-president, Mrs. Frank Spurrier; recording secretary, Mrs. H. W. Schwing; corresponding secretary, Mrs. William Kerr; financial secretary, Mrs. A. J. Dix; treasurer, Mrs. R. W. Mossman; librarian-historian, Mrs. A. J. Humphrey.

COUNCIL PASSES FINAL BUDGET

The Albany City Council at its regular meeting Monday night, unanimously approved the city's budget for the 1961-62 fiscal year. At the same time the Council approved an increase in the city tax rate of ten cents, making the new rate $1.76 per $100 of assessed valuation.

The budget is printed in complete detail elsewhere in this edition of the Times.

In other matters the Council set a hearing with representatives of the Albany Pre-School for 7:30 p.m. next Monday night at which a cut in the funds, as designated in the budget, will be discussed and an effort made to restore the amount deducted.

Resignation of Carl J. MacWilliams as chairman and member of the Parks and Recreation Commission was accepted.

At the request of Police Chief Ralph M. Jensen the Council approved a change in regulations on "unidentified bicycles". Previously held for a year, they will now be offered for sale after having been held for six months. The change was requested due to lack of storage space and to the deterioration of the bicycles if held in storage for so long a time.

Four resolutions were presented for approval, as follows:

Resolution No. 61-63 — Adopting Yearly Tax Rate and Budget. This was approved, 5 to 0.

Resolution No. 61-64 — Determining Salaries of all Employees and Officers. This was approved 5 to 0.

Resolution No. 61-65 — Fixing Transportation and Car Allowances. Approved 5 to 0.

Resolution No. 61-66 — Providing for Payment of Funds to the Chamber of Commerce, and acceptance of agreement. This also was approved by a 5 to 0 vote.

There was no discussion on any of the resolutions except with respect to the cut in the allowance for the pre-school.

The Chamber of Commerce allowance was cut from $5,100 to $4,600. This came as a surprise, and there was no discussion. After the meeting, however, there was considerable comment and it was intimated that there would be a strong reaction against reduction in this fund, which is generally considered an investment in the future of Albany, besides being significantly lower than contributions of other city governments.

Lincoln University Plans Re-opening In East Bay Sept. 5th

Jerome Sack, Dean of the Law School of Lincoln University, has announced the re-opening of the East Bay Division.

The East Bay Division, previously in existence from 1946-1958 offered both pre-legal studies and the four-year law course.

However, first-year courses only in law will be offered this year, beginning with the fall semester on September 5, 1961. The remainder of the law course will then be continued, as in the San Francisco school.

13 Albany Students Entering U. C. Get Scholarships

A total of 359 students in the nine-county San Francisco Bay Area have been awarded scholarships to the University of California at Berkeley for the 1961-62 academic year, it has been announced by the Committee on Undergraduate Scholarships. The awards were among 761 scholarships presented this year to undergraduate students throughout the state, as well as to 27 out-of-state students and 22 foreign students.

The grants, which average about $400 each, are made on the basis of scholarship and need, or according to special conditions established by the donor.

Albany scholarship recipients include:

Suzanne Rose Allen, 634 Talbot Avenue, Lois T. Howison Loan Scholarship; Hans Altorfer, Jr., 1128-D San Pablo Avenue, La Verne Alexander Platt Scholarship; Dennis John Becker, 1121-B 9th Street, Carrie M. Lakoya Council In First Meet of Year

Lakoya Council No. 218 Degree of Pocahontas, held the first meeting of the 1961-62 term at Eagle Hall on Carlson Blvd. in El Cerrito. The meeting was presided over by the new Pocahontas Mary Loutsch.

Delegates elected to attend Great Council in Long Beach August 21-25, 1961, are Gordon Coles, Norma Coker and Helen Glusen.

Sen. Clair Engle Reports on Work To Save Forests

WASHINGTON, D.C. — Senator Clair Engle (D-Calif.) said today that California national forests fared well in the Interior Department Appropriation Act for fiscal year 1962 that was passed by the Congress last week.

Special items of particular concern to California which were advocated by Senator Engle in earlier testimony before the Appropriations Committee all were included in the bill sent to the President. These items include $975,000 for a fire research laboratory at Riverside and $300,000 for special fire protection work in Southern California over and above the regular forest service fire protection program.

California timber interests are especially concerned with forest access roads. Senator Engle noted that the bill appropriates $2,000,000 for this work which is $1,000,000 in excess of the budget.

Two other programs advocated by Senator Engle which Congress approved in the bill are general forest research, $26,368,000, which is $3,000,000 over the budget; and forest and range conservation, $9,800,000 which is a new item proposed in the Senate. Senator Engle said both of these national programs would be of particular benefit to California forests.

Bay Explorers Leave on Bus Tour For O-A Conference

Two bus loads of Explorers, 70 in all, from seven Bay Area Councils leave from the Oakland Boy Scout Office, Tuesday morning, Aug. 15. They begin loading at seven o'clock and leave at 7:30 to attend the 46th Anniversary National Order of the Arrow Conference at the University of Indiana, Bloomington.

Leading the delegation, in numbers at least, will be 32 boys and leaders from the Oakland Area Council. Mt. Diablo Council has 18 members, including Ralph O. Fox, Area Leader and Tour Director; Don Wylie, Area Chief and Tour Treasurer; Peter Snipp, Steering Committee Chairman; and Gilson Talmadge, Past Lodge Advisor and Tour Scribe. Talmadge is a 50-year veteran in the Boy Scouts of America, having first joined as a Tenderfoot in 1910.

Larry Pine of the Oakland Council will serve as the group Scoutmaster with older boys as assistants.

Scheduled stops on the tour to and from Bloomington Conference, where the group will spend four days with some 2500 other young men and adults, include Reno, Yellowstone National Park, Sioux Indian Museum at Rapid City, South Dakota, Chicago, St. Louis, Oklahoma City, Amarillo, Grand Canyon, Los Angeles, and Disneyland.

E. Urner Goodman, founder of the Order of the Arrow, and one of the principal speakers at the Conference, was Scoutmaster of the Troop in Philadelphia which Gilson Talmadge joined back in 1910.

As is customary in most big Scout gatherings, there will be lots of swapping of Lodge patches and other souvenirs. Also on the program are Scout fairs, Indian dance demonstrations, athletic events, fun and fellowship.

Alberito to Hold Annual Patio Party

The Alberito Chapter of the Business and Professional Women will hold its Annual Patio Party on Tuesday, August 15, at the home of Mrs. Mabel Nelson, 1571 Visalia, Berkeley.

Una Roderick, vice-president and membership chairman, will be in charge of the affair at which members and guests will be welcomed and entertained. There will be no regular program for this meeting. Assisting Mrs. Roderick with the arrangements are Mabel Nelson, Josephine Foley, Edith Clark, Marjorie Statt and Margaret Hanahan.

Meet your Albany Business Firms

The Mar-Lyn Beauty Salon at 902 San Pablo Avenue is owned and operated by Mrs. Betty Scaparro. Betty took over the shop on September 15, 1957.

Betty was employed as a beauty operator for ten years before buying the business. She chose the location because of its central location, steady trade, and the people of the community seemed to be permanently located. She specializes in individual care, customer service, and top quality and best-known products.

Betty is a former New York resident and has been a Berkeley resident for thirty-three years. She is a member of Alberito B.P.W. Club, Association of California Hairdressers, Bay Area Local California State Fereman's Auxiliary, and Berkeley Fereman's Auxiliary.

She lives at 1344 Watkins Street in Berkeley. Her husband, Joseph Scaparro, is a Lieutenant with the Berkeley Fire Department. A son, Bernard, is a salesman for the Union Oil Company, and a son, Charles, is a student at Armstrong College.

Her suggestion for improvement of the city is for better parking facilities in the central business area.

Berkeley Players To Present Comedy

The Berkeley Community Players will present a new, original musical comedy, "The Broadway Follies of 1933" at Live Oak Little Theater, Shattuck at Berryman in Berkeley, beginning August 18 and 19, through August 25 and 26, at 8:30 p.m.

The show contains original music and lyrics by local composer William Dito, who attended the University of California. The musical was inspired by the typical "follies" and "revues" produced during the Thirties. In the decade following the depression, the "follies" became one of the national symbols of America. Beautiful girls descending a ramp while balancing a two foot head piece were the usual musical theater adornment and led to the popular Ziegfield and Goldwyn Girls.

This will be the first musical presented by the Berkeley Community Players and includes a very large cast for little theater productions. Tim Hammond of Berkeley will direct the show which concerns itself with the theatrical world of the Thirties.

CHRISTIAN SCIENCE

Mankind's need for a spiritually meaningful set of values will be brought out at Christian Science services this Sunday.

Keynoting the Lesson-Sermon on "Soul" is the Golden Text from Psalm 62: "My soul, wait thou only upon God; for my expectation is from him. He only is my rock and my salvation."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this passage will be read: "Mortals must gravitate Godward, their affections and aims grow spiritual — they must near the broader interpretations of being, and gain some proper sense of the infinite — in order that sin and mortality may be put off" (p. 265).

A citation to be read from the Bible (Matt. 16) states: "For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?"

Christian Science Society of Albany meets at 533 San Pablo Avenue. The Sunday morning services are held at 11 a.m. and the Wednesday evening meetings are at 8 p.m. The Sunday School convenes every Sunday morning at 11 o'clock. Everyone is invited to attend the Sunday services and Wednesday evening meetings. All children are invited to attend the Sunday School.

Know your Albany Businesses

One of the most interesting and unique of Albany business firms is the Monica Flower Studio at 1552 Solano Avenue. The owner and manager is Monica Miller, a talented and vivacious person, who attended Art and Craft College in Vienna, Austria, and is the possessor of a Certificate of Proficiency from Aliene's School of Floral Design in Temple City, California.

Monica opened this attractive shop June 1, 1953. Unique and special services are her free instruction courses in wood-fibre flower making classes, arrangements, and floral design, and holiday decorations. She is well-known in the area, is a member of the Northern California Wood Fibre Flower Assn., Hobby Industries Assn. for Northern California, and Alberito B.P.W. Club. She conducts special demonstrations for civic clubs and many a holiday dinner table and home is more beautiful due to the skill passed on to her students. The window display at her shop attracts all who see them.

Monica and her husband, Emil D. Miller, live at 1337 Acton Street in Berkeley and are active in Albany business affairs.

LAW IN ACTION

IMPUTED KNOWLEDGE

Sometimes the law has to make you more knowledgeable than you are in fact.

When Farmer Brown asked the Ajax Company to fix his well, he warned them of dangerous gases in the well. An Ajax worker, not knowing about the gases, went down the well and got hurt. He sued Farmer Brown.

But the court said by warning the employer, Farmer Brown had warned his workers. In such cases the law "imputes" the employer's knowledge to his employee, and Brown is not liable for damages. The worker would be covered by workmen's compensation, however.

The law says that the worker is an "invitee." You owe invitees on your property the same duties of care that a store, for example, owes you as a shopper. You protect the repairman from dangers you know, or reasonably should know of. Once you do that your duty to him ends.

Knowledge which others have may be "imputed" to you. If your wife or child knows that your dog bites boys on bicycles, the law presumes you know this also, whether you in fact do or not.

The law applies the imputed knowledge rule reasonably: A very young child, knowing of the dog's viciousness, may not be expected to have told his parents. But if the child is older, he is expected to have told them.

Employers and principals are liable for what their employees and agents do when acting within the scope of their duties.

It is important to have good communications between your workers and relatives. Your legal rights may depend upon it.

Note: California lawyers offer this column so you may know about our laws.

Mary Golinveaux Weds P. N. Cascio At St. Ambrose

St. Ambrose Church on July 8 was the scene of the recent wedding of Mary Angela Golinveaux of 1114 Talbot Avenue, Albany, and Prospero N. Cascio of New London, Conn. The bride's father, Herbert A. Golinveaux, gave the bride away. The Rev. Patrick Finnegan officiated at the ceremony. A reception followed at the Claremont Hotel.

Parents of the bride are Mr. and Mrs. Herbert A. Golinveaux of Albany. The groom's mother is Mrs. Nancy Cascio of New London, Conn., where her son is employed with the Electric Boat Division of General Dynamics Corporatino.

The bride's gown and veil was of white lace over lace, with a tear-drop veil, and matching crown. Her bouquet was of orchids and carnations.

Maid of honor and bridesmaid was Bernadette M. Golinveaux, who wore a silk and chiffon, two toned gown, and carried a matching bouquet of carnations. The best man was Joseph A. Golinveaux. The bride's mother wore a beige dress with a lavender orchid, matching hat, shoes and veil.

The bride attended St. Joseph's High School in Berkeley, while the groom is a graduate of New London High School. Following a honeymoon in New York City the couple will be at home at 23 Steward Street, New London, Conn.

Air Force Pushes Drive for Officers In All Categories

The United States Air Force has announced this week that there is an increasing demand for young officers to fill key executive positions in the technical fields and for positions as pilots and navigators in the rapidly expanding aerospace force.

The technical fields are open to both male and female college graduates, and provides the opportunity for qualified applicants to obtain a commission as an Air Force second lieutenant upon completion of a three month training course. Applicants must be between 20½ and 27½ years of age, a U.S. citizen, of excellent moral character, and meet the prescribed mental and physical standards. Female applicants must be single with no dependents, but this restriction does not apply to male applicants.

Applicants are also being accepted for direct commissions as Lawyers, Registered Nurses, Therapists, and Dieticians in the grade of second lieutenant and higher. Lawyers are commissioned as first lieutenants through colonel, depending on age, education, experience and proven ability.

Applications are being accepted at the USAF Recruiting Office, Room 201, Main Post Office Building, Berkeley, California. For further information call Sgt. Lou Freeman at TH 5-3105.

Tom Gabreile To Tell Rotarians About Rare Coins

Albany Rotarians, visitors and guests will be entertained next Tuesday, at the club's regular luncheon, by a talk on rare coins, their comparative values, and their collection. The speaker will be Tom Gabriele, a member of the club, proprietor of the Maple Furniture store on San Pablo Avenue, and current president of the Albany Chamber of Commerce.

Gabriele's hobby is collecting gold coins, but he is an expert on other types of coins as well. His coming program will be a continuation of the program he presented last year, which was most entertaining and instructive.

More Changes In Phone Numbers Scheduled Soon

After October 1 all new telephone customers, persons who change residences and those who change numbers in East Bay, Peninsula, and Marin communities will receive all-number prefixes, Pacific Telephone announced today.

The company said this is another phase in the gradual shift of Bay Area phones to the new system, known as All-Number Calling, which substitutes numerals for alphabetical prefixes.

The first city in the Bay Area to adopt number prefixes was Lafayette on July 22, and Howard Greenhalgh, Pacific Telephone manager there, reported telephone users took the change in stride.

Los Altos will follow on August 20. Some Hayward customers will convert September 30, and in December all customers in Bethel Island, Knightsen, Brentwood, Oakley and Byron.

A second phase of the shift to number prefixes will also start in October when work begins on resetting some phone directories completely to the new listings.

The company explained that printing production problems require that each directory be reset over a period of months before it is issued.

At the time a resident customer's listing is reset to all-numbers he will be mailed a new number plate to be mounted on his telephone. He will also be notified that from then on company information records will show his phone with the all-number prefix. A business firm's number plates will be delivered and installed by telephone personnel as soon as possible after its listing is changed.

The Marin Directory will be the first to change. Starting in October information operators will give out the new number prefixes on a progressive basis until the book is issued in April, 1962.

It will be followed by the Richmond, Contra Costa and Southern Alameda 1962 directories, and later by San Jose, Campbell, San Martin, Saratoga, Palo Alto, Los Altos, Mountain View and Sunnyvale.

State Fair to Add Ten Daily Double Windows for 1961

Daily double fans will get some real "running room" at the State Fair race meeting which opens in Sacramento August 30, according to H. C. (Pat) Maginn of San Francisco, the fair's director of racing.

Ten new daily double wickets have been installed at the south end of the grandstand, giving the two-for-one punters a chance to wager without fighting the long lines which normally prevail on the fair circuit.

Ten windows are also available at the north end as in the past.

Daily double wagering, inaugurated here in 1958, has shown a definite upswing in popularity and, with more windows and easier accessibility, the play is expected to soar to new State Fair heights during the August 30 — September 9 meeting.

Daily double wagering was up $13,970 last year, jumping to a daily average of $69,301.

Total daily double play was $693,016 last year, compared to the $679,046 in 1959.

Daily double tickets will be sold on the fifth and sixth races.

Twelve races are planned daily with two harness and two quarter-horse events preceding the thoroughbreds.

Era Club to Hold Theater Party At Woodminster

Members, their friends and guests of the Era Club will meet at the Woodminster Bowl Theatre of Oakland at 8:30 p.m. Friday evening, August 11 to view together "Vagabond King" in an outdoor theatre party.

Arrangements for tickets and reservation may be made by contacting the Era Club President, Lillian Novak at KE 4-5720. Those wishing to attend, and do not have their own transportation may come to the bowl via special buses provided by the AC Transit District which will provide bus schedules for the event by phoning OL 3-3535.

The Era Club is a non-profit organization sponsored by the Oakland YMCA for single adults ages 25 to 49, and holds dances in the Rose Room of the YMCA at 2101 Telegraph Avenue, on the first and third Saturday nights of each month.

Secretaries to Hear Safeway Executive

John K. Philpott, Manager of Public Relations Section, San Francisco Division of Safeway, will be the speaker at the meeting of the Berkeley Chapter, National Secretaries Association (International) Thursday evening, August 10, at the Claremont Hotel. The social hour in the Executive Room will start at 6:30 with dinner following at 7.

Philpott will speak on "Employer - Employee Relations". Guests are welcome and may make reservations with Mrs. Harry Schroeder, 1464 Tenth Street, Berkeley.

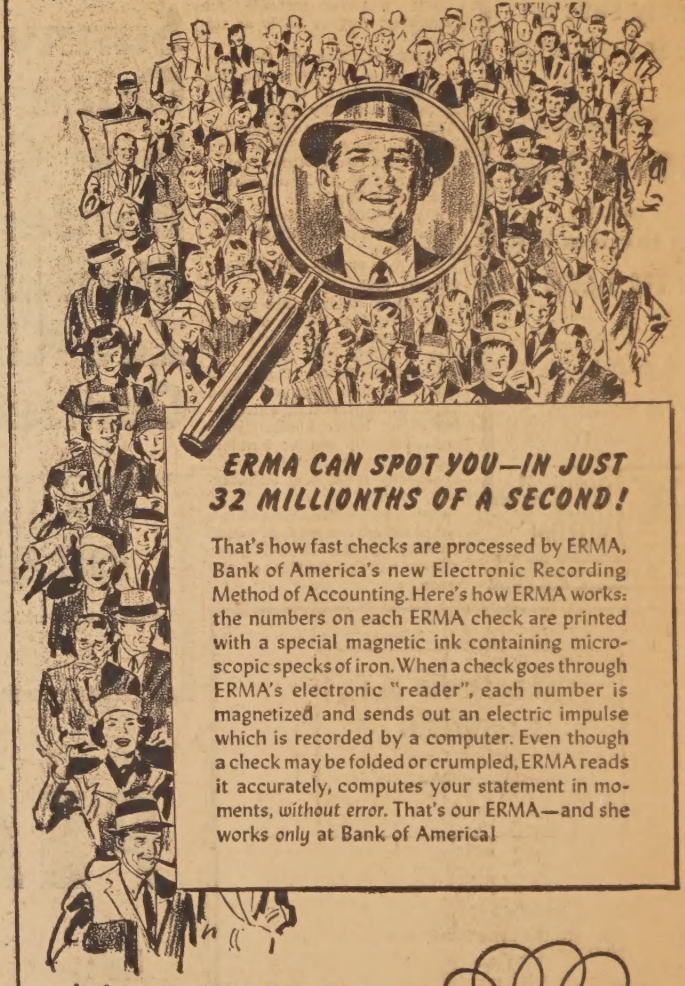
IT'S A FACT...ABOUT ERMA
WORLD'S FIRST ELECTRONIC BOOKKEEPER



ERMA CAN SPOT YOU—IN JUST 32 MILLIONTHS OF A SECOND!

That's how fast checks are processed by ERMA, Bank of America's new Electronic Recording Method of Accounting. Here's how ERMA works: the numbers on each ERMA check are printed with a special magnetic ink containing microscopic specks of iron. When a check goes through ERMA's electronic "reader", each number is magnetized and sends out an electric impulse which is recorded by a computer. Even though a check may be folded or crumpled, ERMA reads it accurately, computes your statement in moments, *without error*. That's our ERMA—and she works *only* at Bank of America!

ERMA KNOWS ARABIC!

ERMA can't read handwriting. ERMA's language is made up of arabic numbers shaped in a certain way so that ERMA can read them at the speed of light—and without making a mistake. Pioneered and developed by Bank of America, ERMA provides the fastest, most accurate service for handling checks in banking history!

ERMA NEVER FORGETS A NAME

As part of its ERMA system, Bank of America now gives *all* regular checking customers free personalized checks — your name and address printed on all your checks *at no extra charge*. Why not open your account today?

El Cerrito Rotary Host Tomorrow To Dist. Governor

The Rotary Club of El Cerrito will be host to Edward H. Pitcher, Governor of the 516th District of Rotary International, who is making his annual official visit to each of the 54 Rotary Clubs in Northern California. He will address the local club on Thursday, August 10 at the Cerrito City Club, 1600 Kearney, El Cerrito, and confer with President John L. Wixon, Secretary Glenn Davis, and committee chairmen on Rotary administration and service activities.

Mr. Pitcher is executive-secretary of the Rotary Club of Oakland and is a member and past president of the Rotary Club of Oakland. For thirty years he was in the market equipment business, retiring in 1958 to devote his full efforts to Rotary. Mr. Pitcher has been active in United Crusade, Boy Scouts and community affairs. He was elected as a district governor of Rotary International for 1961-62 at Rotary's 52nd Annual Convention in Tokyo, Japan, last May. He is one of 269 district governors supervising the activities of more than 11,000 Rotary Clubs which have a membership of 509,000 business and professional executives in 125 countries throughout the world.

The tentative schedule for Thursday, August 10, is as flolows:

11:00 a.m. District Governor meets with the president, the vice president and the secretary at the Cerrito City Club.

12:15 p.m. Rotary meeting followed by the governor's address to the club, Cerrito City Club.

1:30 to 2:30 p.m. Club assembly, Cerrito City Club.

6:30 to 8:00 p.m. Social hour, Alameda Naval Air Station, Officers Club.

8:00 p.m. Dinner dance at the Officers Club.

Wherever Rotary clubs are located, President Wixon asserted in discussing the governor's visit, their activities are similar to those of the Rotary Club of El Cerrito because they are based on the same general objectives — developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of understanding, good will and peace among all the peoples of the world.

QUESTIONS and ANSWERS

☆ ☆

Are all banks alike?

Most are, but there is only one MECHANICS.

Why should I bank there?

Because you will like the "people" there.

What else?

You will get more for your money.

More what?

More real honest to goodness service at lower cost.

How can I know this?

Ask anyone who banks there.

Yes, it is true, what they say — "There's no Bank like MECHANICS."
